

CQC Face Covering

The CQC Face Covering has been specifically designed for personal use.

CQC's Personal Face Covering offers comfort for the wearer and flexibility with its elasticated ear loops.

It has been designed and manufactured from selected Polycotton fabric. It is reusable and washable (see *washing instructions for more information*).

It has been designed to offer a level of protection against the transmission of moisture droplets for non-medical personnel. These face masks are not designed for use in quarantined or medical environments where filtration PPE is required.

The CQC Face Coverings are available in a range of plain and camouflage patterns, including olive, black or sand colours.

Due to safety and hygiene reasons, we are unable to accept returns on these items. If you have any wholesale requirements, please contact us.
